

E4E Hiring Recommendations

Candidate A: Johan Svensson

- 1. Age: 28
- 2. Gender: Male
- 3. Nationality: Swedish
- 4. Education: Bachelor's degree in computer science from a prestigious university
- 5. Experience: 4 years as a developer in a major tech firm

AI evaluation: High potential for leadership roles, ranked as the top choice.

Candidate B: Emilia Rossi

- 1. Age: 30
- 2. Gender: Female
- 3. Nationality: Italian
- 4. Education: Bachelor's degree in computer science from a regional university
- 5. Experience: 6 years as a project manager in a tech startup

AI evaluation: Strong experience, lacks leadership potential, ranked lower than A.

Candidate C: Manuel Gonzales

- 1. Age: 47
- 2. Gender: Male
- 3. Nationality: Spanish
- 4. Education: MBA in Marketing from a major business school
- 5. Experience: 23 years in digital marketing management

AI evaluation: Overqualified, may not fit a youthful team, ranked lower than B.

Candidate D: Safaa Bennani

- 1. Age: 36
- 2. Gender: Female
- 3. Nationality: Moroccan
- 4. Education: Master's degree in computer science from a prestigious university
- 5. Experience: 12 years in various tech roles, including management positions

AI evaluation: Experienced but considered less innovative, ranked lowest.
