On geoeconomics Europe will make the case for stable, predictable trade among partners.

Our focus must be on a G7 response to harmful trading practices with the intent to undermine our economies.

Economic security remains a critical shared concern by all G7 members.

The world stands at an inflection point.

So this G7 Summit will be defined by geoeconomics and geopolitics.

It's a chance for open and frank conversations.

And for building unity on pressing global issues among close partners ↓

Good call with President Trump ahead of the G7 Summit.

We discussed the tense geopolitical situation in the Middle East as well as the need for close coordination on the impact on energy markets.

We also discussed the situation in Ukraine, the imperative for a ceasefire and the
